

TV API VOICEOVER SCRIPT (W3C Version)

Topic : We are all in this together. Quit Now

Version : English

1.

In the opening scene, inside a kitchen, the main character's wife talks to the camera happily:

Dialogue: "Honey, thank you for quitting smoking. I know you can make it."

At the same time, she hands a slice of orange to the camera.

2.

The next scene is a children's playground, the main character's daughter opens her arms and runs to the camera:

Dialogue: "Daddy isn't smelly anymore!"

3.

In the following scene, in a Chinese restaurant setting, the main character's father talks cheerfully to the camera:

Dialogue: "We are relieved that you've quit."

His wife sitting next to him agrees and nods.

4.

The next scene is a living room setting, a dog runs towards the camera and is petted by its owner.

5.

In the next scene, at a basketball court, the main character's friends run to the camera:

Dialogue: "You play better after quitting!"

Dialogue: "I just know you can do it!"

6.

In the next scene, in a pantry setting, the main character's boss talks to the camera:

Dialogue: "You're glowing. Good for you!"

7.

In the next scene, with a clinic background, a doctor talks to the camera:

Dialogue: "Your blood pressure has improved. Keep it up."

8.

In the next scene, outside a restaurant, the main character's friend is taking out something from his pocket and says:

Dialogue: "Hey, would you like one?"

9.

In the next scene, the camera rotates 180 degrees to the main character, who is a middle-aged man rejecting his friend and says:

Dialogue: "I've quit, you can do it too. It's true!"

10.

In the final scene, the main character' parents, his wife, his daughter, his friends, doctor, and his boss, who have appeared before, show their support to the camera.
