

Say No to Cigarettes and Electronic Cigarettes

Woman: Just the same!

Man: Just the same

Young man: But mine is an electronic cigarette ...

Male tobacco control inspector: An e-cigarette is just like a cigarette

Female tobacco control inspector: Smoking e-cigarettes in statutory no smoking areas is also an offence

Male tobacco control inspector: Offenders are liable to a fixed penalty of \$1,500

Female tobacco control inspector: E-cigarettes may also contain nicotine

Super: E-cigarettes containing nicotine are pharmaceutical products which require registration in Hong Kong

Male tobacco control inspector: and can be addictive

Woman: E-cigarettes may also contain formaldehyde a Group 1 cancer-causing agent which is hazardous to health! They also create second-hand vapour

Young woman: What?

Woman: I've decided to quit smoking

Young woman: Quit smoking!

Super: E-cigarettes also create second-hand vapour
